Vehicle Preparation & Un/loading <ul style="list-style-type: none"> Driver to prepare vehicle for un/loading. Check to ensure no goods/materials on the vehicle have become unsafe. If assistance from Righton un/loading staff in vehicle preparation is required, i.e. un/sheeting, then firstly discuss and agree any required safety measures that may be needed before activity is undertaken. ACCESSING BED OF VEHICLE: Drivers MUST wear a hard hat with a chin strap if climbing onto their vehicles. Goods In Staff will supply this PPE to drivers on request (must be returned to Righton after use). NOTE: An access platform is available on request, and must be used when requested to do so by Goods In Staff. Drivers are <u>not</u> required to assist in the un/loading process – Stay in the designated safe shelter area and co-operate with Righton staff at all times. Where an unsafe/unstable load situation is identified un/loading will not take place until a safe means of un/loading has been determined by a suitable member of Righton staff who is competent to make such a decision.
